

DONATION REQUEST FORM

Liberty Firearms Institute (LFI) is locally owned and operated, and supporting our local community is something we truly value. We're proud to give back through donation requests and community events whenever possible.

Please complete this form in its entirety and include supporting event documentation. Donation requests may be dropped off at LFI or emailed to info@libertyrange.com.

Requests may take **up to 14 business days for review**; requests for events occurring within this timeframe will not be considered. All correspondence will be conducted via email, and no further communication will be provided once a decision is made. Requests are reviewed by the LFI ownership team on a first-come, first-served basis. Due to limited availability, LFI may not be able to support the same events each year.

Date of Request: _____
